

North Wyke Farm Platform Data API Terms of Service

The North Wyke Farm Platform (“NWFP”) data collection is the property of Rothamsted Research Limited (“RRES”, “we”, “us” or “our”). It constitutes an internationally significant and unique resource funded by public money and contributed to by a network of volunteer, citizen scientists. We therefore aim to make the data available as a public good, with as few restrictions as possible, to encourage scientific enquiry, collaboration, and innovation. We are making NWFP data available using the NWFP API services under (i) a Creative Commons Attribution-Non-Commercial 4.0 International Licence (CC BY-NC 4.0)

<https://creativecommons.org/licenses/by-nc/4.0/> or such as up-to-date version of such licence as may be published from time to time and (ii) this data sharing statement, which shall prevail in case of conflict with any Creative Commons Attribution-Non-Commercial licence which may otherwise apply from time to time.

When using the NWFP data accessed via the NWFP API you agree to abide by and be legally bound by all the terms of this terms of service statement, including the Creative Commons Attribution Non-Commercial, these Conditions of Use, How to Cite NWFP Data accessed using the NWFP API and the Additional Legal Terms set out below. Non-compliance constitutes a breach of the licence granted to you by Rothamsted Research Limited to use NWFP data and will be prosecuted by us.

I. Terms of Service for NWFP API and data

1. Where the NWFP API is used to extract data which is presented in a published or unpublished work, either in original or derived form, such as a graphic or summary statistics, you must always use the following attribution statement to acknowledge the source of the information:
Contains data supplied by the North Wyke Farm Platform Data APIs, Rothamsted Research.
2. You must cite the NWFP API URL and date accessed in any published work using the data.
3. If you use NWFP data in published or unpublished work, you must notify us of the use. As with data citations, understanding where and how the NWFP Data and API is being used helps us to report impact to our funder, the Biotechnology and Biological Sciences Research Council (BBSRC), Polaris House, North Star Avenue, Swindon, SN2 1UH.
4. You are allowed to make scientifically reasonable changes to the data extracted using the NWFP API, but you must indicate what changes you have made and you must not in any way indicate or suggests (directly or indirectly) that we endorse your changer or your use of our NWFP data.
5. If you require significant support from Rothamsted Scientists to compile, understand or analyse NWFP data we request co-authorship on publications using the NWFP data in accordance with standard academic practice. Please agree authorship arrangements directly with our scientists.
6. The NWFP data is published ‘as is’. To the fullest extent permitted by law, any warranties, representations, conditions and other terms implied by statute or common law are excluded from this licence and Conditions of Use. In particular, we do not make any warranties or representations that the NWFP data or API (i) conforms with any description made by us prior to your use, (ii) is free from any errors, defects or inaccuracies, (iii) is of satisfactory quality or (iv) is fit for any purpose held out by us or assumed by you (whether or not you have discussed this with us).

7. To the fullest extent permitted by law, we shall not be liable to you, whether in contract, or (including negligence), for breach of statutory duty, or otherwise, arising under or in connection with the NWFP data, your use of the NWFP data, for loss of profits, loss of business, loss of agreements or contracts, injury or damage occurring to any person or property, loss of use or corruption of software, data or information or any indirect or consequential loss.
8. We may publish corrected or updated versions of the NWFP data without notice.
9. You may build and provide access to non-commercial products or services, based wholly or in part on the NWFP API and data extracted from the NWFP always subject to these terms and the data licence. Any access that you may provide to such derived products and services to any third parties must be restricted to non-commercial uses and non-commercial purposes in accordance with section 12 below.
10. You MUST NOT misrepresent the NWFP dataset. If you have any doubts about interpretation of the data, please contact nw.farmplatform@rothamsted.ac.uk and they will be happy to support you.
11. You MUST NOT attempt to pass off, present, or otherwise imply NWFP data as your own.
12. You MUST NOT use NWFP data for commercial advantage or monetary compensation, including (but without limitation):
 - a) renting, leasing, selling or sublicensing the NWFP data either wholly or in part.
 - b) renting, leasing, selling or sublicensing or otherwise distribute products based either wholly, or in part, on the data.
 - c) developing and/or providing access to products or services in a manner which is commercial where those products and services are based either wholly or in part on the data.

If you wish to make any commercial use of NWFP data or are in any doubt whether your purported use complies with the provisions of these Conditions of Use please contact nw.farmplatform@rothamsted.ac.uk to discuss your proposal.
13. If you are uncertain how best to use the NWFP dataset or do not understand some aspect of the dataset, the accompanying metadata and supporting information or conditions of use, please contact nw.farmplatform@rothamsted.ac.uk for support.

II. **Additional Legal Terms**

14. Our licence to you to use the NWFP data is governed by all the terms of this terms of service statement.
15. Nothing in this licence is intended to, or shall be deemed to, establish any partnership or joint venture between us and you, constitute either party the agent of the other Party, or authorise either party to make or enter into any commitments for or on behalf of the other Party.
16. You confirm that you are acting on your own behalf and not for the benefit of any other person.

17. This licence constitutes the entire agreement between us and you and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between us and you (whether written or oral) relating to its subject matter.
18. This licence, together with any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with the law of England and Wales. By using the NWFP data, you irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with this licence, its subject matter or formation.
